

West Sacramento Soccer Club

Financial Assistance

West Sacramento Soccer Club (WSSC) strives to offer the opportunity for all eligible players to participate in our youth soccer program regardless of financial means or limitations. To this end, and subject to the availability of funds, WSSC will award financial aid to a limited number of players who demonstrate a financial or other form of hardship at the discretion of all active WSSC Board Members. All applications for financial assistance will be kept confidential.

General Information:

- Financial assistance is available for registration fees only. The player's family is responsible for all other costs associated with playing including additional gear required to play (soccer cleats, shin guards, etc.)
- Financial aid applications may only be completed and submitted by a parent or legal guardian of the player (not by an advocate or other individual).
- WSSC has a limited ability to provide financial assistance and applications for financial aid will be considered in the order received.
- If approved, financial aid is provided for one season only. Aid does not continue for multiple seasons and if needed, an additional application per year will be required.
- Submission of a Financial Aid application does not automatically constitute approval. Parents or legal guardians should be prepared to pay the registration fee should the request be denied.
- All requests for assistance must be submitted to WSSC at least 30 days prior to the conclusion of the registration period to allow for processing and consideration. Applications submitted after this date will not be considered.

Requirements to be considered for Financial Assistance:

1. Player's immediate family currently receives government assistance such as welfare, Medi-Cal, or subsidized housing assistance.
2. Player's family has financial constraints due to a disability or unemployment.
3. Player's family has other form of hardship as determined by the WSSC Board.

Note: WSSC may require verification of financial need to determine whether a player qualifies for assistance. This may include, but is not limited to: a copy of current year tax returns for the parent or legal guardian; Medi-Cal Beneficiary Identification Cards for the parent/guardian and/or player; or documentation verifying Temporary Assistance for Needy Families (TANF).

Financial Assistance Application:

Please submit the completed application to the WSSC Registrar at wsscregistrars@gmail.com. Applications sent to other Board Members may not be considered.
